# Environmental Policy Document

## Statement

*Inscape Solutions Limited is committed to recognising, measuring and ultimately minimising the impact of its activities on the environment. It accepts responsibility for any harmful effects its operations have on both the local and global environment and is committed to reducing them.*

## Strategy

The key points of its strategy to achieve this are to:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to the Company.

Inscape Solutions Limited will encourage the adoption of similar principles by its suppliers.
