Health and Safety Policy Document

Statement

This is the statement of general policy and arrangements for Inscape Solutions Limited. Overall and final responsibility for health and safety is that of the Managing Director:

General Policy

Inscape Solutions Limited undertake:

- To prevent accidents and cases of work-related ill health and provide adequate control of health and safety risks arising from work activities.
- To implement emergency procedures – evacuation in case of fire or other significant incident.
- To maintain safe and healthy working conditions, provide and maintain plant, equipment and machinery, and ensure safe storage/use of substances.

To this end:

- Health and safety poster is displayed in work/office area
- First-aid box and accident book are located in office area.

Signed by Nigel Wilkins
Managing Director of the company
